

The Pieces Fit.

When partnering with Skilled Clinician care, *blue* helps virtually every wound type heal faster at less cost.

The Evidence:

In a recent retrospective study examining wound treatment data of more than 30,000 patients over a two-year period,¹ **Hydrofera Blue Dressings**, combined with Comprehensive Skilled Clinical care employing evidenced-based, best-practice wound care management programs (called “Integrated Care Bundles”, or ICBs), produced these results:

 = Hydrofera Blue and ICB  = Other Dressings

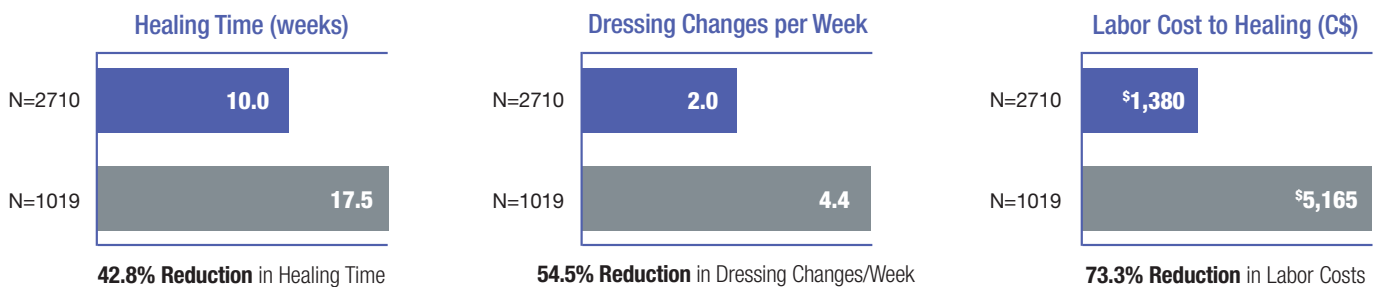

Conclusion:

The study demonstrates that a comprehensive wound management program based on integrated care bundles in conjunction with **Hydrofera Blue Dressings**, can be a highly-effective clinical option. The benefits showed significant reductions in healing times and treatment costs.
